JOHANNE VIGOUROUX

COMPUTER SCIENCE ENGINEER

Rennes, France | johanne.vgrx@gmail.com | +33 7 87 43 52 54

Aspiring UI/UX Designer with a software engineering background, seeking a 3-4 month international internship starting May/June 2027. Driven by curiosity and empathy, I turn complex technical constraints into intuitive, accessible interfaces and clear visual solutions for any audience.

AREA OF EXPERTISE

UX Research
Interactive prototyping
Wireframing
Software Architecture
Web Development
Accessibility (WCAG)
